

DEAR SENATOR:

Caterpillar Inc. continues to flaunt its violations of international law—and even its own standards of corporate responsibility—regarding material support for Israeli war crimes against the Palestinian people. I urge you to demonstrate your opposition to Caterpillar’s actions by refusing to accept contributions from its lobbying arm, the Caterpillar Employees Political Action Committee, as well as individual contributions from its CEO, James Owens, and its subsidiaries, Caterpillar Logistics Services and Solar Turbines Inc. Please take this small but principled step to support justice and a peaceful resolution to the Israeli-Palestinian conflict.
